AN ACT to amend Tennessee Code Annotated, Title 49,
Chapter 6, Part 10, relative to curriculum for K–12
public schools.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 10, is amended by
adding the following language as a new, appropriately designated section:

(a) The state board of education shall not include religious doctrine in any
curriculum standards for grades prior to grades ten through twelve (10–12).

(b) The state board shall provide curriculum standards for grades ten (10),
eleven (11), or twelve (12) that teach comparative religion as it relates to history or
geography, but no religion shall be emphasized or focused on over another religion.

(c) If the curriculum standards in grades prior to grades ten through twelve (10–
12) include a reference to a specific religion or the role and importance of a religion in
history or geography, then the state board shall ensure that the reference does not
amount to teaching any form of religious doctrine to the students.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring
it.
